“In vino veritas, in aqua sanitas”

Our wine list is the result of friendships and collaborations, it evolves, regularly, to accommodate new vintages and varieties. For your enjoyment we serve our chosen house wines by the 250ml carafe and our waiters will be able to suggest some of our finer selections to go with Chef Stephens’ culinary creations. As a special offering we offer “The Mentors Range” - the KWV Mentors range honours the diversity of terroir and climate which influence the differing South African wine styles. The grapes mentored through specific site selection, treatment in the vineyards, and special cellar care. The result? Wines without equal that reflect the best South Africa has to offer. We trust that your visit and experience at Mondiall will be memorable and enjoyable and that we will see you again soon at one of our tables, glass in hand.
